

Newark and Nottinghamshire Agricultural Society

Annual Report and Accounts 2006-2007

From the Chairman

Another year flies by and I am pleased to welcome you with news of the best results in many years. We have achieved a commendable £131,060 profit, taking the balance sheet on 30 June 2007 to a total of £2.16 million. This is a healthy base for the future.

The year will however be remembered for the appalling winds in January and the continuous rain from May to August. This has badly affected many of our farmer members as well as parts of the site. DMG antiques fairs and Ponies UK went ahead, despite the flooding in the Newark Ring. The Show was a success despite having to cancel the Main Ring displays from 2.30pm on the second day again due to the rain and winds.

We are especially grateful to Professor Neil Gorman, our President this year. He and Susan have undertaken their duties with confidence and enthusiasm. It was most appropriate to have a vet with such a pedigree, especially as Professor Gorman is the Vice Chancellor of Nottingham Trent University, the governing body of Brackenhurst Campus. His schedule is extremely onerous and we are most grateful to him for making the time to be our President. I am sure you would wish me to pass them both the best of luck for the future.

The Society is governed by a willing and active Council. I am always grateful to our Council and Committee members who do so much voluntarily, both for the Society and the Show. We are also helped by an excellent set of stewards and other helpers at the show. Thank you to everyone, especially as they had to work in the torrential downpour at the 2007 show.

I would also like to thank all our sponsors, exhibitors, traders and other people who helped to lay on the event. A list appears later in the report.

Our show and the site is coordinated by the office staff and the grounds team, who work miracles to ensure the site is ready and looking good. This is despite all of the events held which now place our facilities under such strain.

I am delighted to report that our reputation for service provided remains extremely good, and that is especially so in the catering department. It is always gratifying to receive compliments for the standard of food produced by our catering team. The hours they work and their level of commitment merit this special mention.

In closing may I wish everyone a pleasant Christmas and a happy and prosperous 2008.

Yours sincerely

C A Watson
Chairman of Council

“The mission of the Newark and Nottinghamshire Agricultural Society is to promote agriculture and the agricultural industry through the Newark and Nottinghamshire County Show.”

From the Chief Executive

Welcome to the 2006-7 annual report. We are pleased that we have had a very good year for the Society and NNAS (Trading) Limited, through which we let our site. The profit of £131,000 is the largest that the Society has posted and reflects an excellent team achievement by everyone concerned.

The weather has affected our operations this year, starting in January at the LAMMA show with hurricane force winds causing over £40,000 of damage to the Cedric Ford Pavilion. This caused the closure of the facility for four weeks. The sheer volume of rain during our “summer” flooded several areas which remained for over a month. The Newark Ring was affected particularly badly.

The County Show then suffered torrential rain which caused the cancellation of Main Ring displays, including: the Mounted Games Association relays, the Motorbikes and sadly, the Grand Parade.

Notwithstanding this, we have been delighted to have Professor Neil Gorman as our President this year. His adaptability has been tested in full at the show. His tenure has further cemented the excellent relations we enjoy with Brackenhurst Campus and Nottingham Trent University.

Events carry on apace and we have hosted many new seminars, dinners, and training courses this year. The reputation of the venue is earned through the service that our clients receive. That this continues to improve is positive.

The investment in the George Stephenson Exhibition Hall has proved to be wise and it is now home to many new events. We continue to invest effort in the maintenance of our facilities, which is increasingly important due to pressure of operations.

In closing, I wish to record my thanks to a longstanding colleague, Mrs Jilly Waddington. Jilly left after 18 years of service during which time the show has benefited from her diligence and concern. I am personally most grateful to her. Jilly was presented with a hunting scene cast by Border Fine Arts from the Society. Sally Devereux has replaced Jilly and we welcome her to the Society.

I hope that you have a Happy Christmas and close by thanking each and every person; volunteer or employee, full time or part time, for all that they have done for the Society in the last year.

A M Johnston
Chief Executive

County Show 2007

The weather may have tried hard to spoil our flagship weekend, but many highlights contributed to yet another successful year.

Moving the Flower Show to a marquee enabled us to relocate the popular Food Hall to the George Stephenson Hall. Top chefs Teresa Bovey and Rachel Green created some fabulous dishes in the demonstration area.

The British Alpaca Society's National Show brought Europe's largest collection of Alpacas this year to the Lady Eastwood Pavilion, with an additional marquee, creating huge visitor interest.

In the Main Ring, members of the Mounted Games Association competed in some very fast races. Young people on ponies demonstrated their athletic ability, hand-to-eye co-ordination, determination and competitive spirit – in games such as Speed Weavers, Flag Flyers and Sword Lancers – and superb teamwork with fellow-riders to achieve victory.

The Bolddog Lings Freestyle Motocross Team brought the largest, most sophisticated landing ramp in the world for their exciting show of spectacular freestyle motocross tricks. The Superman Seat Grab, Indian Air, Switch Blade and Kiss of Death involved the rider leaving their seat, taking their hands off the handlebars, even rotating their body around the bike – often in mid-air!

Members also enjoyed the new Ringside Club. They were delighted to be able to host their own table and entertain guests over lunch in this new marquee by the Main Ring.

Our thanks go to outgoing President, Professor Neil Gorman, who seemed to be everywhere. The many distinguished visitors to this year's show included Baroness Byford and Lord Taylor.

2006/7 Review

Stuart Hall / www.digitalkrecoyl.com

LAMMA '07 an outstanding success, despite early closure

● January's twenty-sixth LAMMA Show was, in the opinion of visitors and exhibitors, the best yet – in spite of show's early, but wise, closure for visitor safety. The forecast gale force winds later lifted one of the large temporary exhibition buildings damaging the Cedric Ford Pavilion.

A record 28,000 visitors from all parts of the UK nevertheless braved the hostile weather to converge on the Showground to see a diverse range of farm equipment, including the launch of many new products.

New events for George Stephenson Hall

● New bookings in the George Stephenson Hall included two successful national clients – with quite different audiences.

Boden, the well-known online clothes shop and mail order clothing catalogue, had hundreds of people queuing round the block, keen to snap up some bargains at its sell-out Clearance Sale, Boden's first at Newark Showground. However, the Showground is also keen to move into regional events and specialist business to business (B2B) shows.

So, the three day **Craft4Crafters** wholesale to retail show is an important addition. This specialist event, with a range of workshops and 90 exhibitors, attracted retailers and trade crafters from far and wide.

Cedric working harder!

● The profile of the Cedric Ford Pavilion continues to improve, in line with our aim to increase revenue through greater use of its facilities.

This year, there were over 50 dinners, dances, Christmas nights, five Hunt Balls, Farmers' Balls and The Meningitis Trust Ball. This was in addition to events such as **The Health and Psychic Fair, Rock and Gem Fairs, Railwayana, Toy and Train Fair** and **Northern Arms Fair** – for traders in antique weapons, armour, uniforms and general militaria – and many others.

The variety of bookings included a successful boxing promotion by **Carl Greaves**, use of the President's Suite as a popular meeting venue, for companies such as Charles Lawrence plc, and hosting regular blood donor sessions. The most unusual hire was by national retailer **Focus DIY** which invited regional staff to 'road-test' a selection of barbecues that were set up in the garden outside the Pavilion!

Biodiesel Expo fuelled for further dynamic growth

● Around 2,500 visitors attended the **Biodiesel Expo 2006**, a recent addition to the Showground's programme. Showcasing the latest in environmentally-friendly biodiesel production and the benefits of using biofuels, it brought this burgeoning market together for a day.

Exhibitor Paul Board of ALcontrol Laboratories observed: "In over 10 years, I haven't seen this quality and quantity of delegates at one show before." Centre Tank's Eric Byrne went further, adding: "Biodiesel 2006 was one of the best shows I've been to in the last 20 years."

Showground Chief Executive Adrian Johnston commented: The success of this show proves once more that Newark Showground is ideally situated for national 'niche' events."

Matt and Beryl Twidale

● It is with sadness that we report the death last December of Matt Twidale MBE followed, just months later, by his widow Beryl. A valued Council Member for 30 years, Matt was a

NFU

congenial and patient man and recently our Sponsors' Steward. A farmer in Kirklington, he chaired the NFU's Sugar Beet Committee for 15 years, representing beet growers' interests nationally, in

Europe and worldwide, for which he was awarded an MBE. In 2006, he received the NFU's John Nullis Award for his contribution in Nottinghamshire. A Governor of Brackenhurst College for 25 years and a fellow of the Royal Agricultural Society, Matt was very involved locally. His great supporter Beryl enabled her husband to achieve so much locally and nationally. Our condolences go to their family.

Trustees' Statement

The attached summarised accounts are a summary of information extracted from the annual accounts and certain information relating to both the statement of financial activities and the balance sheet .

These summarised accounts may not contain sufficient information to allow for a full understanding of the financial affairs of the charity. For further information, the full accounts, which have been subjected to an audit, and the trustees' annual report should be consulted : copies of these can be obtained from the Society's registered office .

The annual accounts were approved by the trustees on 9 October 2007 and will be submitted to the Charity Commission in due course.

Signed:

For and on behalf of the trustees
24 October 2007

Auditors' Statement

Independent Auditors' Statement to the Trustees of Newark & Nottinghamshire Agricultural Society

We have examined the summarised financial statements set out on pages 5 and 6.

Respective responsibilities of trustees and auditors

The trustees are responsible for preparing the summarised annual report and the summarised financial statements.

Our responsibility is to report to you our opinion on the consistency of the summarised financial statements within the summarised annual report with the full financial statements and trustees' report. We also read the other information contained in the summarised annual report and consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the summarised financial statements .

Basis of opinion

We have carried out the procedures necessary to ascertain whether the summarised financial statements are consistent with the full financial statements from which they have been prepared.

Opinion

In our opinion the summarised financial statements are consistent with the full financial statements for the year ended 30 June 2007.
